

# Check Payment Processing

## TREASURER

1. Receive Deposit Packet from bank
  - a. Should include deposit slip, bank receipt, copies of checks and any additional paperwork from Secretary.
2. Using the AirGapped Accounting Computer access QuickBooks link on desktop. DO NOT CONNECT THIS MACHINE TO THE INTERNET
3. Login to the POA computer using the provided password
4. Select DESKTOP from the tile screen and wait 60-90 seconds before proceeding
5. For each check copy from each Deposit Packet do the following:
  - a. In quickbooks, navigate to CUSTOMER
    - i. To locate Customer Record search records in this order under the Customers and Jobs tab
      1. By last name
      2. By parcel number
      3. By city
      4. By address
    - ii. For WestStar Mortgage payment checks
      1. Locate Customer Name under the Account Message column
      2. Ensure a monetary amount is listed to the right under the “Misc Paid” column, usually \$9.75 or more
      3. Proceed to next step...
    - iii. Analyze results to ascertain to which record to post payments and follow procedures below.
      1. If unable to locate correct Customer Record:
        - a. Confirm if the name is Monet / Hose and refer to POA Customer Name “RUDD”
        - b. Locate customer named “unknown-holding-charity”

- c. Post Payment to “unknown-holding-charity” only when actual Customer Record cannot be ascertained from payment received.
- iv. Once correct Customer Record is located
  1. Confirm name and parcel number Customer List (left side) \*For WestStar Mortgage payments skip steps 2-4 below\*
  2. Enter EDIT mode to Confirm address, phone number, email address in customer details. Press OK.
  3. If there is a different address, follow procedures under Address Procedures in this SOP.
  4. Confirm 911 address (if available)
    - a. Additions or changes to 911 addresses are recorded under the parcel (Job Information) details under “Additional Info” tab.
- v. Right click on Customer name and select Receive Payments from list at customer level (NOT job level).
- b. In “Receive Payments” screen:
  - i. Select Payment Amount box and double click to select entire box, you can also press tab to reach this box.
  - ii. Enter full amount of payment received, press TAB to advance
  - iii. Enter the date shown on deposit slip ONLY, press TAB to advance
  - iv. Select Check, Money Order, or Cashiers Check under payment type drop down.  
\*For WestStar Mortgage select TITLE CO\*
  - v. Using the Check number from Customer, enter it in Reference # box, omit any leading zeroes, press TAB to advance
  - vi. In the MEMO box enter the YEAR and ASSESSMENT (ie... 2027 Assessment)
    1. For WestStar Mortgage enter:
      - a. WestStar Mortgage – (last name and three digit parcel number)
  - vii. If multiple invoices are listed, select with a checkmark to which invoice payment should be applied (system defaults to oldest invoice. Change to invoice only applies if Customer requests funds be applied to different invoice)

1. For WestStar Mortgage, invoices are generated for the full amount at the beginning of the calendar year and amount due is reduced as payments are made.
2. At a point during the year, payments will be applied to the account showing no invoices or money due and instead may show a credit. This is correct and fixes itself when a new yearly invoice is generated.
- viii. Click “Save and Close”
- ix. In red ink put checkmark in middle of photocopy of check
- x. Repeat this process for each check in Deposit Packet.
6. In quickbooks, process bank deposit
  - a. Under Banking Tab (top menu) Select Make Deposits
  - b. In “Payments to Deposit” window
    - i. Click “Select All”, or if a single payment, enter checkmark for this payment.  
Deposit should ONLY include transactions pertaining to this deposit.
    - ii. Confirm quickbooks total is same as deposit slip and deposit receipt.
    - iii. Click “OK” to proceed
  - c. The “Make Deposits” page will be presented
    - i. From Print menu, select Deposit Summary, press OK to open print window
    - ii. Make sure correct printer is selected and orientation is portrait
    - iii. Click “Print” button
    - iv. Click “Save and Close” button
  - d. To correct an error made in the Receive Payment information such as amount or check number:
    - i. Under Banking Tab (top menu) Select Make Deposits
      1. If you have already processed the Deposit this screen will be empty
      2. Press PREVIOUS to pull up the Deposit in question
      3. Look for Line Item with erroneous informtion
      4. Right Click and select Delete Deposit. This step will remove the deposits from the deposit queue and place them back on the “Payments to Deposit” window

5. Close the “Make Deposits” window by pressing the X to the right of “Make Deposits”, NOT the X on the top bar labeled River Springs Ranch POA / Quickbooks Pro
  6. On the Customer and Jobs window (left pane) select the customer to edit.
  7. Once selected, on the “Customer Information” window (right pane), select the erroneous payment and double click it to enter.
  8. Make the necessary changes and press Save and Close, agreeing to pop-up confirming changes
  9. Proceed back to paragraph 6.a above and process Bank Deposits again
7. Prepare Deposit Packet for filing as follows in this order
- a. Quickbooks Deposit Summary on top
  - b. Bank deposit receipt, horizontally towards the top to allow for easy viewing
  - c. Photocopy of hand written deposit slip and the check photocopy sheets
  - d. Staple together: one staple at the corner and one staple near the top middle
  - e. File in Monthly Income envelope.
    - i. These envelopes are created at the beginning of the year and labeled per month.
    - ii. Label as 2027 JAN INCOME
  - f. Additionally, create Expenditures folders and label as 2027 JAN Expenditures
8. Holding Payment Processing (NEEDS UPDATE)
- i. Continue processing, adding details to a new note under “Notes” tab. Refer to Holding Payment Processing section for additional information.
