

Check Payment Processing

SECRETARY

1. Collect mail from PO Box 2279 and any hand delivered payments¹
2. Open mail, discard junk mail, sort any payments
3. When money is received, determine whether it's an Owner Payment, an Escrow Payment, a Mortgage Company payment or Equipment Sales or Purchases²
 - a. Owner Payments (General Assessments)
 - i. Prepare a bank deposit for that group of checks
 - ii. Using duplicate deposit slips – list last name and amount per block
 - iii. Add sum total of checks and compare to sum total on deposit slip
 - iv. Compare return address of envelope with address on check³
 1. If same discard envelope
 2. If different include envelope in Deposit Packet
 - v. If notes are included with payment include in Deposit Packet
 - b. Escrow Payment (from Purchases or Transfers of land):
 - i. Deposits of these type of checks must be done separate from any other deposit including other Escrow Payments
 - ii. Do not combine multiple escrows checks in same deposit unless it is from a single buyer making a lump sum payment
 - iii. Attach all escrow documents to the deposit documents for the file
 - c. Title and Mortgage companies: (currently Weststar Mortgage)
 - i. Process same as Escrow Payments above
 - ii. Include all ledger sheets with deposit documents
 - d. Equipment Sales, Refunds, Rebates, Lawyer disbursements, etc
 - i. Process same as Escrow Payments above

1. Hand delivered payments can only be turned over at an official RSR function or meeting and must be handed to no less than two board members.

2. There can be instances where there may be a partial refund, a refund of overpayment, or a return of payment for partial quantities, double payments, or canceled orders.

3. Refer to Address Procedures for processing address changes.

- ii. Attach all documents included with payment
- 4. Making a Deposit Packet – include the following in each packet
 - a. Photocopy all checks and deposit slips
 - i. Multiple checks may be copied on same sheet
 - ii. Make sure all data on check is visible
 - 1. Name and address
 - 2. Check number
 - 3. Amount of check
 - 4. Micro encoding strip
 - b. Include the following in each separate packet
 - i. Photocopy of checks and deposit slip
 - ii. Any check stub provided by mortgage or escrow company
 - iii. Any real property sales paperwork or contracts
 - iv. Any equipment paperwork
 - v. Any notes included with payment
 - vi. Paperclip each deposit as a packet separate from other deposits
- 5. Make Deposit at Bank
 - a. Deliver deposit slip and checks to bank for processing
 - b. Ensure each Deposit Packet is a separate deposit
 - c. Receive deposit receipt from bank
 - d. Include/attach a deposit receipt in each Deposit Packet
 - e. Put packet together and hand to bank teller for pick up by TREASURER
- 6. This concludes the SECRETARY's deposit responsibilities.
